

Supplemental Activity – Teacher of Students with Visual Impairments

In one or two paragraphs, please answer each question.

English will not be evaluated; however, the answers should be clear, concise, and understandable.

1. What are your thoughts about the Expanded Core Curriculum for students with visual impairments?
2. What are your thoughts about braille for students with visual impairments?
3. What is your approach to students who are not following the rules?
4. What is your approach to working with staff members who you disagree with?
5. What is your approach to working with families?
