

17th Annual
FAMILY LEARNING WEEKEND for
FAMILIES OF Blind and Visually Impaired Children
June 9-11, 2017

What: MSDB 16th Annual Family Learning Weekend for the Blind and Visually Impaired
Where: MSDB Campus in Great Falls
When: June 9-11, 2017
Who: Families of Blind and Visually Impaired Children living in Montana!!!!!!
Why: It will be fun!!

The Learning Weekend is a creative program that provides opportunities for families of sensory impaired children to learn about blindness and visual impairment, share their experiences with other families, and learn how to communicate more fully with one another in a warm, caring atmosphere.

The focus of the weekend is to enhance each individual's personal knowledge of blindness and how it relates to the education and development of their child. Informal workshops, group discussions (parent groups, kids groups, siblings groups, etc.) and hands-on activities will be offered. Child care and recreation for the children (siblings included) is available at no charge. Families will be reimbursed for mileage at the current state rate.

Housing is provided on a first come first serve basis. Each family is generally provided with their own suite of rooms in the cottages and efforts are made to make assignments according to individual needs and preferences. Typically each family has their own bathroom, sometimes two depending on the size of the family. **Participants will need to bring personal items such as soap, shampoo and toothpaste. The MSDB Swimming Pool will not be in operation for the Learning Weekend. Sorry for this inconvenience as everyone seemed to enjoy this activity**®

Children ages **birth to two** will be in the cottage nursery with staff. *Parents should pick up their children from the nursery prior to lunch and return them to the same location when they are done eating.*

The children are divided into groups based mostly on age. Many factors are taken into consideration including friendships, maturity level and interests when putting together the groups. The children stay with their groups until they join the parents for mealtimes. Some of MSDB finest residential and school staff will be responsible for supervising your children and making sure they enjoy the weekend as much as you do!

Children ages **three to five** will be involved in a variety of activities throughout the day. These activities will include: snacks, indoor and outdoor activities including a trip to the MSDB playground (weather permitting). The activities for this group will remain flexible depending on the ages and abilities of the participants. Saturday morning during breakfast your children ages **six through eighteen** will be assigned to various teams (groups).

These teams are designed to allow for children to be involved with peers their own age. For this session there will be several different activities including: recreation activities, crafts, some Orientation and Mobility experiences and of course snacks. Sometime during the morning session Darreck Hale, (MSDB Supervising Counselor) will also meet with the siblings and provide them the opportunity to discuss their feelings regarding having a blind or visually impaired sibling. *This information (in general terms, while keeping siblings names confidential) will be shared with the parents during the Sunday morning presentation.*

Information from various vendors (serving Blind and Visually Impaired) will be available during the weekend

***The kids program is intended to provide entertainment and educational activities that will further the participants understanding of vision loss and its impact on the family. Activities are designed for the youth with vision loss and their siblings. Participants are grouped by age and staff are assigned accordingly depending on the numbers of the participants and their individual needs. If you have unique concerns regarding your child, please let us know and we will work with you to insure that everyone has a good time.

Presenter Bios

Barbara Balko is an Outreach Consultant for MSDB in western Montana serving children who are blind and visually impaired. She lives in Missoula, Montana. Barb has her Masters in Special Education as a teacher of the visually impaired. She is also a certified orientation & mobility specialist, and a deafblind specialist. Barb is the mother of two children; a son and a daughter. Her daughter Katie is blind (and has multiple challenges). Barb is avidly committed to helping all children with vision loss and their families.

Michelle Cross is an Outreach Vision Consultant for MSDB serving blind and visually impaired children in Northeastern Montana. Her home and office is located in Great Falls. Michelle has a Bachelor's in Elementary Education and a Bachelor's in Special Education. Michelle has been employed with MSDB since July 2006, as a teacher of students with visual and multiple impairments. Michelle plans to begin working on her TVI, in an upcoming masters program.

Geri Darko is from Great Falls and works full-time on the MSDB campus. She has a Master's Degree in special education and is a certified orientation and mobility specialist. This is her 16th year teaching students with visual impairments and her seventh year teaching independent travel skills (O&M). Geri has been married for 16 years and has two children; a 12 year old daughter and 9 year old son. In her pastime, she enjoys boating, camping, and riding motorcycles in the mountains with her family and friends.

Susan Davis is an Outreach Consultant for MSDB serving children in southeastern Montana. She has an undergraduate degree in Elementary Education from MSU-Bozeman and was a classroom teacher for 10 years prior to obtaining her Masters in Special Education with an emphasis in Teacher of the Visually Impaired through the University of Northern Colorado. She taught for a year as a K-12 special education teacher before joining MSDB in 2015. She is passionate about learning and integrating technology in ways that increase student achievement.

Jane Garrison is a Vision Outreach Consultant serving students in the northwest portion of the state of Montana for 9 years. Her home and office are located in Eureka. Jane was a special education teacher for 18 years before coming to work for Montana School for the Deaf and Blind in August of 2008. Jane has a Bachelor of Science degree from Northern Michigan University with teaching endorsements in Elementary and Special Education. She received a Masters Level certificate for Teacher of the Visually Impaired and completed Orientation and Mobility Training through Stephen F. Austin State University in Nacogdoches, TX.

Paula Gladback is the Supervising Teacher of the Visually Impaired Department on the Great Falls campus. She recently moved from Minnesota to join the great MSDB team. Paula has her Masters in Special Education with her concentration on Visually Impaired and Orientation & Mobility from the University of Northern Colorado. She has 14 years of teaching experience, with 7 of those years being an Itinerant Teacher of the Visually Impaired. She is a mother of 5 children ranging in age from 7 years old to 23 years old. Paula is currently working on her administrator license endorsement through the University of Montana. She really enjoys working with the students and staff at MSDB and loves being a TVI.

Kerri Norick has been an outreach vision consultant for MSDB in southwest and south-central Montana since 2005. She completed her Masters in Special Education with an emphasis in teacher of the visually impaired and is a certified orientation and mobility specialist. Prior to MSDB, Kerri worked as a special education teacher in Hamilton & Belgrade, MT. Kerri and her husband Storm reside in Bozeman with their two sons. They enjoy living in the mountains and playing outdoors.

Larry E. Riley, JD Larry's parents ranched in Eastern Montana and he grew up in Jordan and Roundup. He went to college and law school at the University of Montana and then practiced law for 50 years with the 30 lawyer law firm of Garlington, Lohn & Robinson in Missoula. The last five years of his practice was devoted entirely to doing pro bono work with a particular emphasis on doing guardianships for special needs families. The past year he has headed up the creation of a Statewide Program that will have lawyers available to do guardianships -- -- and to do so at a reduced fee or on a pro bono basis when necessary. He currently serves as a full-time volunteer for Missoula Aging Services heading up their Elder Justice Program.

Amy Tangen began her teaching career in 1988. When her oldest daughter was diagnosed with a bilateral profound hearing loss, the family moved to Great Falls, so she could attend MSDB to ensure the best possible education. Amy began teaching in the VI Dept – teaching Technology, Reading, and Life Skills. Amy taught VI children for 7 years, and then returned to teaching public school, while earning a Masters Degree in Educational Technology and Assistive Technology. Amy returned to work for MSDB as a VI Outreach Consultant in July of 2013, and is happy to be working with students with visual impairments, their families, and school staff members.

Sharon Woods is a teacher of visually impaired, orientation and mobility specialist and most recently certified as deaf-blind and autism spectrum disorder and visual impairment specialist. She began serving infants and school age children with visual impairments in Yakima Washington and has been an outreach consultant for Montana School for Deaf and Blind for more than a dozen years. She started her career in education as a teacher in Montana in 1978. Sharon currently serves central and south central Montana.

10:15-10:30 Break – check out the Vendor Tables and help yourself to a snack!
10:30-11:30 **IEP vs. 504 – what is the process** Jen Cline, from the Montana Office of Public Instruction will explain the process and be on hand to answer questions from the participants. Bring questions with you.
11:30-1:00 Lunch served in the main dining room. Parents should be reunited with their children for lunch.
1:00-2:00 **Pick 1 - Session 1: Exploring Cortical/Cerebral Visual Impairment (CVI)-During this session, the three phases of CVI will be described and demonstrated. Interactive materials for each of the three phases will be available to try out as well as a quick make and take for your child’s particular visual needs. OR**
Session 2: Expanded Core Curriculum (ECC) - Come join us for a hands on activity exploring the ECC. The term expanded core curriculum is used to define concepts and skills that often require specialized instruction with students who are blind or visually impaired in order to compensate for decreased opportunities to learn incidentally by observing others. These areas include: compensatory or functional academic skills, including communication modes,orientation and mobility,social interaction skills,independent living skills,recreation and leisure skills,career education,use of assistive technology,sensory efficiency skills, and self-determination.
2:00-2:30 **Pick 1 - O & M Instructional Session** This is a hands-on blindfold experience. Navigating the environment and exploring mobility through all senses will be explored. OR **Expanded Core Session** Introduce participants to the QUICK & EASY ECC guide that provides short lessons for both parents and teachers to teach these unique disability-specific skills. Sessions will be repeated at 2:45-:315
2:45-3:15 **O & M Instructional Session and Expanded Core Session:** Pick the session you did not do at 2:00.
3:15-3:30 **Break**
3:30-4:30 **Parent Groups:** Will be a separate group for Mom’s and a separate group for Dad’s. Great Experience!
4:30-5:30 **Vendor Time and Family Time:** Feel free to check out the vendor tables, hang out with your children or just take a short break prior to dinner (this is normally open swim, but the pool is not open – darn!).
5:30-6:45 **BBQ:** in the main dining room
7:00-9:00 **Parent Panel:** this has also been a favorite of the weekend. Listen to parents as they share their story about their journey with their child. It is uplifting and empowering to be a part of this presentation (as a participant or a member of the audience).
7:00-9:00 The kids will be in the cottages watching movies or playing outside (weather permitting). When the parent panel is over please pick up your kids from the cottages.

Sunday, June 11, 2017

- 7:45-8:45 Breakfast
9:00-10:30 **Larry Riley** will talk about Guardianship process and Trust Funds (see bio for more information) OR **Baby Jamboree** - you and your child can explore different activities to support developmental milestones that we have created with modifications and adaptations for children with no or low vision. This will be a very hands-on session. You and your child will move between stations designed for children at developmental stages age 0-3 or 4
10:30-10:45 **Break** and can use this time to put your belongings in your car
10:45-11:45 **Love and Logic and Sibling Summary:** Listen to what your children have to say about having a blind or visually impaired sibling AND also what the blind or visually impaired kids think about living in a sighted family! Some surprises and thought provoking information for all parents.
11:45-12:00 **Wrap up and Evaluations**
12:00 **Lunch** in the dining room and then families depart.
