**Parents Please Note:

Although we encourage families to bring all the siblings to be a part of this fantastic learning experience, we expect the older children be willing participants as well. The past several years we have encountered older siblings not willing to participate in the groups and have demonstrated behavior that is not appropriate for such a weekend. It is advisable that each family discuss this with their children to determine if they are willing to follow the program as established by the planning committee. We expect the older children to serve as role models for the younger students and to make the Learning Weekend a fun and positive experience.
